

FDUK & Wounds UK Annual Conference 2023 - Abstract Submission

Abstract submission

Wounds UK are pleased to announce the call for abstracts for the 2023 Wounds UK Annual Conference, held at the Harrogate Convention Centre, which will be held on 6-8 November 2023 at the Harrogate International Centre.

**To submit your abstract use the following link:
www.surveymonkey.co.uk/r/WUKH23Abstract**

Poster presentations will be presented on electronic poster displays only.

Entries for the e-poster exhibition require you to submit an abstract. Every entry received will automatically be considered for the FDUK & Wounds UK Award for Excellence 2023.

All abstracts will be reviewed by our judging panel, who will be looking to accept submissions that display high levels of innovation, relevance to current and/or best practice and provide high-quality research/evidence.

Award

The winner of the Wounds UK Award for Excellence will receive a free 3-day delegate pass with entrance to the gala dinner.

E-poster viewing

The e-poster exhibition is the perfect forum for wound care clinicians to exhibit their work at the largest UK wound care conference. All e-poster exhibitors receive a discounted attendance rate at the event.

All e-posters will be displayed on large screens, with posters scrolling repeatedly. Each screen will display a category; where there are a very large number of e-posters in a category, more than one display screen will be provided. Where there are two categories with lesser e-poster numbers, these will be combined into one screen.

This year's categories are:

- **Assessment and diagnosis**
- **Case study**
- **Cost effectiveness**
- **Diabetic foot**
- **Infection**
- **Leg ulcers**
- **PHD**
- **Practice**
- **Pressure ulcers**
- **Research**
- **Science**
- **Skin Integrity**
- **Other**

Viewing on demand

Wounds UK will also provide large screens where delegates are able to select any poster they wish to view.

Post-conference

All e-posters will remain available to view online after the conference closes.

To submit your abstract use the following link:

www.surveymonkey.co.uk/r/WUKH23Abstract

Closing date: 30 September 2023

All successful entries will be notified by 6 October 2023

Please contact the events team on bookings@omniamed.com or 020 3735 8244 if you have any questions or require further information.

1. Lead contact - This person will receive all communications regarding this submission - if more than 1 person (i.e. sponsor plus lead author) needs to be kept informed about this entry, please indicate this clearly on your entry. All communications are made via email.
